

Harry Teague is a strong supporter of 2nd Amendment rights, an advocate for New Mexico sportsmen and women, a gun owner himself, and a member of the National Rifle Association. Harry has stood every time with New Mexican gun owners and always voted in adherence to the 2nd Amendment of the United States Constitution.

Harry Teague:

- Opposes federal firearm owner licensing and registration
- Supports Right-to-Carry reciprocity legislation
- Opposes new waiting periods for handguns
- Believes background checks at gun shows should be timely and protect the privacy of gun buyers and vendors
- Supports restoration of Second Amendment rights for the District of Columbia
- Supports protecting gun owners in bankruptcy

- Supports ensuring we maintain the 2nd Amendment rights of our veterans

Harry also helped lead the fight to allow Americans to carry their fire arms in our National Parks. [Read his Dear Colleague letter](#) in support of repealing the ban on guns in National Parks. Harry confronted the argument of the anti-gun crowd that allowing guns in National Parks would lead to increased poaching activities.
